Title: The electric vehicle routing problem with capacitated charging stations

Authors: Froger, Aurelien; Mendoza, Jorge; Jabali, Ola; Laporte, Gilbert

Dr Froger:

Thank you for your submission to Transportation Science. This letter is to acknowledge receipt of your manuscript, "The electric vehicle routing problem with capacitated charging stations," and to note that it has now entered the review process with the manuscript ID TS-2019-0354.

Please feel free to contact me if you have any questions or concerns during this process.

With regards,

Frances Moskwa
